Case Description

Description My 471 is under review. They are requesting that I create and certify a new FCC 471 within 15 days for Category 1 services. On my current 471 I mistakenly put category 2 instead of category 1 services. If I create a new 471 at this time, will this be approved? Or will this be denied because it will be outside the funding window for 16-17?

USAC	<p>Lisa,</p> <p>You should file a new Form 471 for Category 1 Services, once you file the Form 471, since it will be filed after the filing window, you will need to request a waiver to the FCC.</p> <p>If you have missed the FY2016 Form 471 Filing Window deadline, there is not an available procedure to request an extension from USAC; however, you can submit a waiver request to the FCC. A waiver is a request to waive an FCC policy, rule, or deadline such as the FCC Form 471 application filing window deadline. For example, if you missed the filing deadline for FCC Form 471 because of extenuating circumstances, USAC cannot waive the deadline but you can ask the FCC to waive the rules in your case by filing a waiver request with the FCC.</p> <p>For complete instructions, please see the January 15, 2016, News Brief: http://www.usac.org/sl/tools/news-briefs/preview.aspx?id=657. Scroll down to the heading "All waiver requests filed at FCC."</p>	8/11/2016 9:14 AM EDT
